

Candidate Statement

My name is LaRue Hand. I live at 22 North Rim Rd, and I've been a resident for a little over 4 years. I am retired, and was self-employed flipping houses all my career. I am a member of the Ransom Canyon Memorial Chapel, and Ladies Bible Study Share Group. I also regularly attend the City Council meetings, and the POA meetings. I like to be involved in our community activities as much as possible. I love living in the canyon, and thank God every day that I get to live in this beautiful place.

Thank you for your consideration to be a member of the POA.
