

## 2025 POA Board Candidate Statements

### 1. Statement by Trey Tagert (current RCPOA Board member):

I was appointed to serve on the Ransom Canyon POA Board of Directors, and have since held the offices of Vice President and President.

I have an MBA in Management from Texas A&M International. I currently work in bank regulatory compliance, and I am an adjunct professor of Banking and Financial Services at Collin College.

My wife and I moved to Ransom Canyon at the end of 2022. We love living here and are committed to working to preserve and enhance our community.

My goals for my next term of service, should I be elected, are: to improve board member engagement, enhance association governance and financial controls, protect and preserve our shared amenities, and increase the level of community involvement.

I would appreciate your vote.

Thank you, Trey Tagert

2. Hi! I'm Judy Laney and I would like to be a part of the POA Board. My husband and I moved to Ransom Canyon two years ago after our son and his family encouraged us to move here to be near family. They raved about their life and community in Ransom Canyon. We are active at Ransom Canyon Fellowship Church and enjoy the events in Ransom Canyon - Christmas parade/party, Fourth of July parade, Chilli Cookoff to name a few. I've been involved with the Events Committee for nearly the whole time we have lived here. We love it here.

Last week was my first time to attend a POA meeting and I felt God leading me to step forward and serve. I am a retired CPA (in for-profit and non-profit businesses - no tax returns) with a love for numbers. I also teach private piano lessons.

Thank you for your consideration.
