

BOARD OF DIRECTORS CANDIDATE STATEMENTS (candidates in alphabetical order):

Statement by John Hodges (current RCPOA volunteer):

I am interested in serving on the POA. I have been a resident of Ransom Canyon since July. The family and I love it here, as we have some family and many friends, and look to be part of this community for a very long time. I feel like it would be very important to do whatever I can to help this community, and the POA seems like a great place to start. I am not currently serving on any boards, I am a member of several professional organizations that revolve around health care, but there is very little opportunity for extra-curricular events. This means that I can be fully dedicated to the POA.

I work as a family nurse practitioner for a privately owned facility in Lubbock. We provide primary care, as well as men's health, women's health, DOT physicals, etc. I have experience in emergency care as a nurse and a provider, post-surgical care, primary care, women's health, you name it and I have probably done it. I think my experience in healthcare, not only in relation to patient care, but also the business side of practicing medicine (as well as being a former small business owner – Hodge Podge Design), provides me with the experience I need to help be a part of an organization that most likely operates on a very stream-lined budget.

I have a lovely wife, Dinah, who is a professor at Texas Tech University. I have a 9-year-old boy named Elam, and a six-year-old boy named Benjamin. We enjoy kayaking on the lake, playing in the brook, and enjoying life in the canyon. Hobbies we all enjoy together are spending time in the yard, playing guitar, piano, violin, and of course video games and watching movies. We also enjoy just sitting and enjoying the quietness of the canyon.

Thank you for your consideration, I look forward to hearing from you.

John Hodges

Statement by Bryan Gaddis (current RCPOA volunteer):

I am Bryan Gaddis and would appreciate your vote for the POA Board.

I am 36 years old and grew up in Ransom Canyon. I graduated from Roosevelt in 2003. I am employed with UPS with 15 years of service.

My wife, Shelby, and I have been married for 13 years. We have two boys, Cameron (11) and Cale (9). We knew Ransom Canyon was the place we wanted to raise our family. We

purchased a home in 2015. A few of our hobbies include boating, camping, fishing, and hiking.

I am looking forward to serving our great community of Ransom Canyon through the POA. I am open to suggestions from our community on how the Ransom Canyon POA can improve.

Statement by Suzy Martin (current RCPOA volunteer):

My name is Suzy Martin, and I would like to serve the folks of Ransom Canyon by joining the POA board. I am a native West Texan where I spent most of my life, however, after living for 15 years out of state, we finally got to come back home to Texas and were lucky enough to find a house in this beautiful canyon in 2019.

My husband, Joe, and I have a blended family of 6 children and 7 grandchildren. By education and background, I received my RN from Methodist Hospital School of Nursing, my BSN from West Texas A&M and my Women's Health Nurse Practitioner from Southwestern School of Medicine. I currently work remotely from home for a medical technology company educating physicians, nurses, and allied health professionals either virtually or onsite at healthcare facilities and hospitals across the nation. My volunteering history includes church and community activities and I currently serve on the Ransom Canyon Events Committee.

My hobbies include my four-legged family of two adorable West Highland White terriers and two cats along with cooking, gardening, cross stitch and reading. I would appreciate your consideration and vote for the upcoming 2-year term. Thank you for taking your time to read about me and I look forward to meeting those of you I haven't yet met.
