

Events & Activities Committee Report April 5, 2022

Many thanks to folks in our community for participating and contributing to the events we propose throughout the year. The mission of our committee is to promote and encourage participation, as a way to meet neighbors, and encourage a feeling of ownership in our wonderful community.

Our committee has evolved, but continues to grow! We appreciate the folks who donate their time, expertise, services, and funds to continue to provide family activities.

We would like to recognize and thank these neighbors who give their time to plan, inform, and encourage community activities.

Ashley Hougland gives so much of her time as a member of the POA board, but also plans our food truck nights and lends her social media expertise to improving communication throughout the community.

Haley Arteaga is doing an excellent job in sharing ideas for new events, as well as promoting our activities through multiple social sites.

James Hill keeps us informed through his updating the message board at the firehouse.

Val Meixner & Georgette McPherson share duties of committee leaders.
